Seeing a photo of Roxas at the end of a log in Super Mario Sunshine, the person who put it there said that the thought process behind it was mostly "What's the most wouden thing I can think of?" Tempting Destination: In Luigi's Repainted Mansion, while Angelo enters a new room, Cael jokes that the game will crash. It didn't end well. Perverse sexual lust: Gombella wants Hooktail to "ravish her butthole." In Deltarune Repainted, just before Doctor Robotnik can take down Kris in the final battle, an enraged mob of Toby Fox's Angry Dogs arrives at DMCA the repeat and decides to throw him into "The Well."
